NINJA
STUDIOS

The background of the image is a deep space scene. It features a dark, black sky filled with numerous small, bright white stars of varying sizes. Interspersed among the stars are large, diffuse clouds of gas and dust, known as nebulae. These nebulae exhibit a range of colors, including vibrant oranges, yellows, and hints of green, suggesting different temperatures and chemical compositions. The overall effect is one of vastness and the beauty of the universe.

**Consciousness ...
is the phenomenon
whereby the universe's
very existence is made
known.**
